

It's time to help *grow the Grinch's heart*—and spread some kindness across Harrison Park!

This holiday season, we're inviting students and families to join in a fun school-wide challenge. Starting **December 2 through the 12th**, you can help the Grinch's heart grow by purchasing **Cindy Lou Whos** for \$1.00 each. Every Cindy Lou Who you buy will be added to your child's classroom total.

But... there's a twist!

If you're feeling a little mischievous, you can also purchase a **Grinch** for \$1.00 to *sabotage* other classrooms by subtracting from their Cindy Lou Who count!

The classroom with the **most Cindy Lou Whos** at the end of the event will win a special prize.

Best of all, **every dollar raised will be donated to Make-A-Wish** and presented to the High School during its annual Make-A-Wish Telethon. Your kindness will help make magical wishes come true for children in need.

Thank you for helping us grow hearts—and spread joy—this holiday season!

**Sincerely,
The Mayor of Whoville**

Make-A-Wish.
