GIVING TREE PROJECT

2026

Once again the Community Women's Club of Level Green in association with our local elementary and middle schools will be sponsoring "The Giving Tree Project" for 2026. It is our hope that during this holiday season the children will share the joy of giving to those less fortunate than us.

Children may donate new mittens, gloves, hats, scarves, UNDERGARMENTS AND SOCKS (which are especially needed) to decorate a designated tree in the school. Members of the Women's Club will collect the donated items and deliver them to Westmoreland Community Action for distribution to the children of families in need.

To insure prompt delivery of the items for the holiday season the project will begin Tuesday December 1st, and it will end on Friday December 11th 2026.

Please contact me at 412 999 4926 if you have any questions or require additional information.

Warmest Holiday Wishes,

Patty Marker
